Welcome to The Queens Head in Churchgate Street, we are a family run business since 2014. Aimee and Helen make all the dishes from scratch and they are cooked to order, nothing brought in prepared. We are rated 5 star in the food hygiene rating, If you have a dietary requirement please inform a member of staff. We welcome well behaved children and dogs. Highchairs and children's menu is available. During busy periods our food can take longer than expected to reach your table. We hope you understand and enjoy your food. Our sausages are supplied by Jason at The Sausage Shop on Mayfield Farm and our fruit and veg is supplied by Steve at Doorstep fruit & Vegetable. We cater for events and weddings.
